EXHIBITION OVERVIEW

The annual international exhibition **Mining Week Kazakhstan** is rightfully considered to be one of the key business events in the industry, bringing together scientists, developers, manufacturers and distributors, end users, service organizations and other industry representatives interested in promoting and purchasing relevant products.

For the past 18 years, the exhibition gives the opportunity to see a complete and objective picture of the last developments of mining and metallurgical industry.

The grand opening of the exhibition was a bright and spectacular event for the participants.

Guests and participants of the exhibition became the audience of the solemn ceremony, which welcomed by:

- First Deputy akim of Karaganda region – **Vadim Basin**
- Head of the interregional department “Centerkaznedra” – **Nurlan Maukulov**
- Commercial director of the international exhibition company TNT EXPO – **Alexandr Khmelevskiy**

EXHIBITION SECTIONS

- Underground mining technologies
- Surface mining equipment & technologies
- Exploration and geological surveying technologies
- Crushing and material handling equipment
- Ventilation & safety technologies
- Pumps, compressors & other components
- Communication and management technologies
- Power generation equipment
- Mining consulting and technical services
- Mineral processing technologies
- Coal processing technologies
- Coal cleaning and burning technologies
- Smelting & refining technologies
- Research, education & training
- Metallurgical equipment & technologies
- Rolling mills & related technologies
- Thermo processing technologies
- Foundry equipment & technologies
- Molds and mold making technologies
- Sheet metal and related technologies
- Welding machinery & metal cutting technologies
- IT-technologies
- Pipe & tube technologies
- Measuring & control technologies
- Plant equipment & related technologies
- Process controls & related technologies
- Environmental & pollution control technologies

OFFICIAL SUPPORT

The most important aspect of the exhibition is the support of the leading industry organizations, as well as relevant government authorities.

Official support

- Ministry of Industry and Infrastructure Development of the Republic of Kazakhstan
- Geology Committee of the Ministry of Industry and Infrastructure Development of the Republic of Kazakhstan
- "Tau-Ken Samruk" National Mining Company
- Akimat of Karaganda Region

Official partner of the exhibition:

Republican Association of Mining and Metallurgical Enterprises

Official assistance to the exhibition organizer was by:

- JSC «ArcelorMittal Temirtau»
- JSC «National Geological Survey»

Participants and guests of the exhibition received 4 official greetings from:

E. Akbarov
Chairman
of the Geology Committee
of the MIID RK

V. Basin
First deputy Akim
of Karaganda region

N. Radostovets
Executive Director of the
Republican Association of
Mining and Metallurgical Enterprises

B. Chirchikbayev
Chairman of the Board
«Tau-Ken Samruk» NMC» JSC

PARTICIPANTS

The exhibition fully justified the status of an international project. 137 companies from 14 countries of the world presented their achievements and innovative designs in the area of mining and metallurgical industry: **Canada* China * Czech Republic * Finland * Germany * Great Britain * Kazakhstan * the Netherlands * Poland * Portugal * Russia * Switzerland * Turkey * USA**

Among the permanent exhibitors of the exhibition:

- Polimermash (Russia)
- Kopeysk machine-building plant (Russia)
- Ecophyspribor NTC (Russia)
- Ingortech (Russia)
- FAMUR S.A. (Poland)
- MDJ ELECTRONIC (Poland)
- Hauhinco Maschinenfabrik GmbH & Co. KG (Germany)
- d&i GmbH & Co KG (Germany)
- Tiefenbach Control Systems GmbH (Germany)
- TUFEKCIOGLU (Turkey)
- CFT Kazakhstan
- OME Group (Kazakhstan)
- CCS Services - Central Asia (Kazakhstan) etc.

The following companies participated in the exhibition for the first time:

- DÜCHTING PUMPEN Maschinenfabrik GmbH & Co. KG (Germany)
- ATB Morley Ltd (Great Brinain)
- Protecfire GmbH (Germany)
- «DEES Group» (Russia)
- «ProLabSupport» (Kazakhstan)
- «Maxwell Distribution» (Kazakhstan)
- «MISE» (Kazakhstan) etc.

As before, the Kazakhstan market remains interesting and attractive for foreign companies.

The Polish Investment and Trade Agency was the organizer of the Polish national stand. The Ministry of Industry and Trade of the Czech Republic led the national stand of the Czech Republic.

Exclusive exhibition stands of such companies as

- FAMUR S.A. (Poland)
- TUFEKCIOGLU (Turkey)
- TRATOS CAVI S.P.A. (Russia)
- DEP Company (Russia)
- Ingortech (Russia)
- Red-Line INTEGRATIN (Russia)
- ArcelorMittal Temirtau (Kazakhstan) and etc.

became a prominent part of the exhibition.

The open site of the Shakhter stadium hosted heavy machinery and equipment of various companies and manufacturers such as:

- **Ferronordic Kazakhstan** - the official dealer of Volvo Construction Equipment, Mecalac and Sanvdik mobile crushing and screening equipment in the Republic of Kazakhstan
- **Sevalo Engineering Machinery Kazakhstan** - the official distributor of the concern - Shandong Lingong Construction Machinery Co. LTD (SDLG), etc.

VISITORS

The high-profile visitors make this exhibition very special. Due to the industrial specialization of Karaganda region where coal production, extraction and enrichment of metal and iron ores as well as nonferrous metals, machine construction, metal processing, and other related activities are strategically important.

Following the standard procedure all visitors have been registered each of three days of the exhibition. The exhibition is noted by target visitors - most of them are specialists from different enterprises of the mining and metallurgical industry, energy, mechanical engineering, as well as the construction complex.

In just three days, the exhibition was visited by 1740 (100%) specialists.

* The data is confirmed by an authorized independent auditor operating under the control of UFI (Global Association of the Exhibition Industry) and RUEF (Russian Union of Exhibitions and Fairs) - RussCom IT Systems.

BUSINESS PROGRAM

- The complex of business and educational exhibition events is aimed at familiarizing the audience with the best practices of the world community, exchanging experience with leading experts, and improving the skills of Kazakhstani specialists.

GC "TenderPro" held a seminar **"Improving the efficiency of the company's marketing policy."**

"On state support for the commercialization of the results of scientific and (or) scientific and technical activities" was introduced to the participants by the Science Foundation JSC.

The audience's great interest was attracted by the round table **"Chemical and Metallurgical Institute - technologies of success!"** which was organized in honor of the anniversaries - the 30th anniversary of the National Center for Complex Processing of Mineral Raw Materials of the Republic of Kazakhstan and the 65th anniversary of the Chemical and Metallurgical Institute, named after Zh. Abishev.

- Within the framework Mining Week Kazakhstan' 2023 the 9 x 12 photo contest was held for the 10th time.

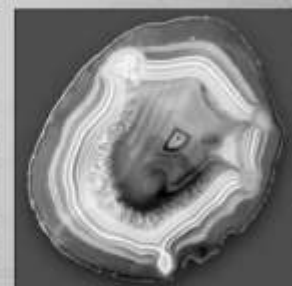

The series of photos featuring the unique shots of the mining industry and people who linked their destiny with it were presented at the exhibition.

The nominees of the contest received diplomas and presents.

The organizers thank all participants and intend to continue this photo contest hereafter as well

PHOTO CONTEST
9x12

BUSINESS PROGRAM

- According to the results of the exhibition all participants received honorary diplomas.

- On June 20 on the occasion of the beginning of the exhibition work in the business hotel **Cosmonaut** took place the cocktail party, sponsored by the Hotel Complex Cosmonaut – partner of the 18th International Exhibition “Mining Week Kazakhstan' 2023”.
- The evening of 21 June continued with a reception for the exhibition participants in the cozy atmosphere of the restaurant "Arista". According to the tradition, the organizers have prepared a colorful palette of musical and dance genres.

The theme of the exhibition and Karaganda as the exhibition venue were determined by immediate vicinity of the largest enterprises of the mining and metallurgical industries.

- The organizers thank the management and employees of JSC «ArcelorMittal Temirtau» for the opportunity to organize an excursion to the enterprise for exhibitors.

You can obtain the full version of the business program on our website www.miningweek.kz, see section “Information for Visitors” or by a call to the Organizing Committee +7 727 344 00 63.

MEDIA SUPPORT

GENERAL INFORMATIONAL PARTNER:

LEADING INFORMATIONAL PARTNER:

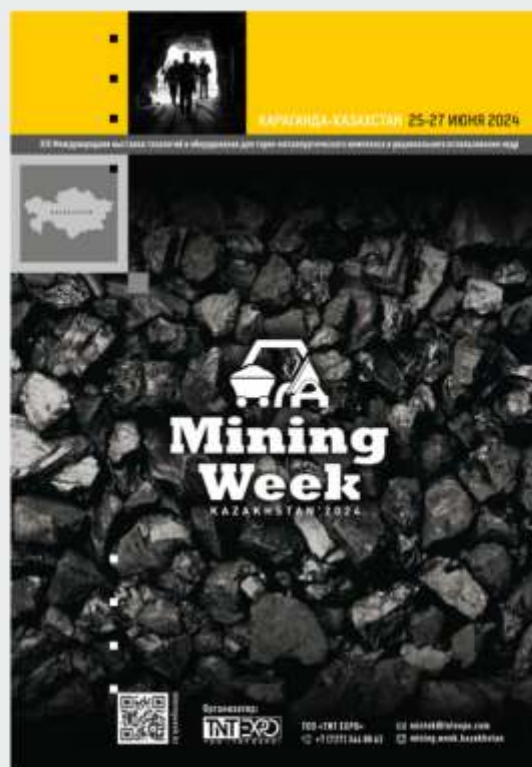

CONCLUSION

The exhibition "**Mining Week Kazakhstan'2023**" has again shown its effectiveness as a platform for a productive and interesting dialogue between producers, distributors and consumers.

We thank all those who provided invaluable support in organizing and holding the exhibition and thematic events, as well as all exhibitors for their professional approach to product promotion.

We sincerely look forward to continue close and productive cooperation.

The 19th International Exhibition for Mining and Exploration, Mineral & Coal Processing and Metallurgical Technologies "**Mining Week Kazakhstan' 2024**" will be held from 25 to 27 June 2024.
